

Panther Booster Club

Wenatchee Panther Athletics Booster Club

Apple Bowl Advertising Agreement

2023-2024

*As we move forward into 2023-2024, all sponsors will work under the new policy agreement.

*The price for new banners is \$500. This includes a 4 x 8 wind resistant mesh banner with reinforced metal grommets. Each business/organization will need to provide graphics to be forwarded to our production company.

*Renewals are \$250 per year thereafter for two years.

*After the third year, businesses/organizations will have an opportunity to renew their sign membership for \$500 at which time a new sign will be produced.

*If a sign requires replacement prior to the end of year three, the Panther Booster Club will cover the cost.

*Regardless of when banner advertising fees are paid, the price will not be prorated.

*No banner will be hung before payment is made. Banners will be hung as soon as possible after receipt, weather permitting.

*Banners may advertise only one business and must be free of other advertising or logos.

*All banners are subject to the rules of advertising as outlined by the WHS Panther Athletics Booster Club Board of Directors and within the guidelines of Wenatchee School District and WHS Athletic Department. Banners may be taken down for any reason at any time.

*Non-renewed banners will remain up until August 15, 2024. Banners will be taken down and stored by WHS Panther Booster Athletics Club staff during the winter months that no events occur.

I understand and agree to the terms as specified above.
